WHAT WE DO

Core Capabilities

01 PRIME CONTRACTING

We hold the federal contract — you do the work. TAP's SDVOSB certification and agency relationships put your business in front of the right buyers, fast.

02 SUBCONTRACTING PARTNERSHIPS

Build real past performance under TAP's established vehicles. Operate with full compliance support while growing your federal footprint.

03 LOGISTICS & CONSULTING

Military-grade operational logistics and strategic consulting for federal agencies — systematic, accountable, and mission-focused.

04 TEAMING & PARTNERSHIP DEV.

We identify, vet, and connect businesses for winning teams. Whether you need a prime, a sub, or a specialty partner — TAP builds the team.

OUR ADVANTAGE

Why Choose TAP?

★ SDVOSB Priority Access

Federal law mandates SDVOSB set-asides and sole-source awards. TAP's certification gives your projects the shortest path to contract award.

★ Real Past Performance

Subcontract under TAP and build the federal past performance record that every future bid requires.

★ Compliance & Support

From SAM.gov to contract execution, TAP handles the compliance burden so you stay focused on delivery.
